                SASTRA Deemed University, -Kumbakonam, India
                CGPA:6.45

2018 Mar   Sri Mahadeva Guruji matriculation higher secondary, valangaiman
                GPA:66%

SEMINARS ATTENDED

Artificial Intelligence and Chat GPT, School of Computer Science, Engineering and Applications at Bharathidasan University, Tiruchirappalli, 07/28/23

MAIN PROJECTS

I developed a Client Management System (CMS) using PHP and MySQL, which is a web-based application designed to streamline the management of client information and interactions. It features two primary modules: Admin and Client.

MINI PROJECT

I Developed a face detection application using Python and the OpenCV library. The application uses a Haar Cascade classifier to detect faces and eyes.

DECLARATION

All the information provided above is correct and true to my knowledge.
